

Course Overview

We spend about one-third of our lives sleeping. Let's make it as safe as possible for people who need to use bed rails. This course provides essential information about the purpose of bed rails and using them safely. It will support you to reduce the risk of injury, provide information about bed rail maintenance and advise where to find additional information.

Course Content

1. The purpose of bed rails
2. Risk management and assessment
3. Bed rail safety
4. Bed rail maintenance
5. Legislation and additional information

Course Duration

 30 minutes

Developed in partnership with Orchard Care Homes and HR UK.
