

## Course Overview

This course is for people who have additional responsibilities as a Fire Warden (also sometimes referred to as a Fire Marshall). Anyone taking this course will need to have first taken the Fire Safety course and correctly answered questions about fire extinguisher use.

## Course Content

1. Duties of a Fire Warden to prevent fire and harm should a fire occur
2. Duties of a Fire Warden when there is a fire and in emergency evacuation simulations
3. Fire risk assessments
4. General fire precautions
5. Personal Emergency Evacuation Plans (PEEPs)
6. When it is safe to fight a fire
7. Different types of fire extinguisher and their correct use
8. How to use a fire extinguisher properly

**Course Duration** 45 minutes

**Developed** in partnership with a qualified Fire Safety expert.
