

## Course Overview

The little things you do can make big days for the people you support. We look at how privacy and dignity are an integral part of your work with individuals and give you lots of practical guidance. We also review your role in supporting individuals to make choices and to participate. This course provides a refresher for people who have already done the Care Certificate.

## Course Content

1. Understand the principles that underpin privacy and dignity in care
2. Maintain the privacy and dignity of the individual(s) in your care
3. Support individuals in making informed choices and understanding their rights
4. Support an individual to question or challenge decisions made about them by others
5. Understand how your personal views must not influence an individual's choices or decisions
6. Understand how to support active participation and support individuals in active participation in their own care.

**Course Duration** 1 hour

**Developed** in partnership with social care experts.
